The Young Alumni Award recognizes the achievement of alumni of the Daily Wildcat who have been out of school for less than 10 years. We're looking for former Wildcatters who have been risk-takers, trend-setters and achievers in any endeavor, just as long as they graduated in 2001 or later. The Young Alumni Award will be presented when we induct the next class into the Daily Wildcat Hall of Fame.

Please use this form to nominate candidates for our 2011 Young Alumni Award. Self-nominations accepted.
